Project Report should include the following parts:

▶ Cover (title) page (use the format given https://kmm.yildiz.edu.tr/node/11946)
▶ Contents
▶ Abstract

1. Introduction
   - Outline context, background and purpose
   - Define terms and set limits of the research
2. Methodology
   - Explain how research was done and outline how the data was collected
3. Results/Finding and Discussion
   - Present findings of the research- Give the information about the selected industry, indicate what unit operations are used, what chemical engineers do in this industry,
   - Use subtitles with number (like "3.2. Block diagram of sugar production process")
   - Use visual expressions (e.g. tables, graphs)
   - Refer to the literature (citation!)
4. Conclusion (Brief statement of what was found)
5. References (References should be arranged with the same format, indicate the accesing of date for the webpages)

Report format

- Font type: Calibri
  Font size:12
  Justified – Double space line
- Number each title, figure, and table
- Give page number
- Give citation in the text

Presentation
- Use power point program
- Keep presentation short
- Use figures, tables, pictures
- Prevent to use long texts
- Maximum 12 min will be allowed for each group to present their study.
- Each group members should give presentation

All groups must submit their reports and presentations as a pdf file due to December 19, 2023 by email to kucuk@yildiz.edu.tr
