International Researcher IDs

ORCID: 0000-0001-7243-8536

Yoksis Researcher ID: 188251

Biography

İbrahim Akıncı works on contemporary art, digital video, politics of information technologies and free/libre culture. They endorse a peer-to-peer approach over culture industry's perpetuation of the hierarchical relations between the "author" and the "audience" and thus they use various pseudonyms for all their works, which are all free/libre cultural works.
