Education Information

Doctorate, Yildiz Technical University, Fbe, Elektrik Mühendisliği Bölümü, Turkey 1997 - 2003

Postgraduate, Yildiz Technical University, Fbe, Elektrik Mühendisliği, Turkey 1994 - 1997

Undergraduate, Yildiz Technical University, Faculty Of Electrical & Electronics, Elektrik Mühendisliği, Turkey 1990 - 1994

Research Areas

Electrical and Electronics Engineering, Energy, Generating Stations and Plants, Electric Power Transmission, Distribution and Protection, Engineering and Technology

Academic Titles / Tasks

Lecturer, Yildiz Technical University, Faculty Of Electrical & Electronics, Electrical Engineering Department, 2009 - Continues

Refereed Congress / Symposium Publications in Proceedings

- I. **Enerji Dağıtım Fiderlerinin Şebeke kayıplarını Azaltmak amacıyla Genetik algoritma Yöntemi Kullanarak Yeniden Yapılandırılması**
GÖKALP E., ÖZDEŞ A., PEKİNER F. O.
Elektrik elektronik bilgisayar mühendisliği 11.Ulusal Kongresi ve Fuarı, Turkey, 22 - 25 September 2005
- II. **Using the Growth Models for Optimum Design of Power Distribution Systems**
Özdeş A., Pekiner F. O., Şentürk E.
ICECS'97, Cairo, Egypt, 15 - 18 December 1997, vol.1, pp.406-409
- III. **A New Method for Optimum Selection of Distribution Transformers**
Özdeş A., Pekiner F. O., Şentürk E.
ICECS'97, Cairo, Egypt, 15 - 18 December 1997, vol.1, pp.402-405
